

Safe Food Handling Class

*Short FREE class offered by
Thomas Jefferson Health District
Environmental Health Specialists*

Do you:

- Shop, prepare, or serve food to the public?
- Work in the foodservice industry as a cook, server, chef?
- Do you prepare and serve food at temporary events-festivals, fairs, farmers markets?
- Do you cook or serve food to raise money for your local organization by preparing and serving food at fairs or street festivals?
- Do you cook and serve food for your school, church or civic group?

Then this class is for you! You can learn:

- ⇒ How to prevent or minimize the risk of spreading foodborne illness when preparing or serving the public
- ⇒ How to use a food thermometer and gloves properly
- ⇒ Understand how the health of employees can compromise food safety
- ⇒ Methods to keep food safe and preparation surfaces clean

Things to know about this class:

A certificate of attendance will be issued along with FREE food safety tools

When: Monday, November 19, 2018

Time: 5:00—8:00 pm

**Location: Charlottesville/Albemarle Health Department
Building Entrance #3
